2019 MASONIC GRANT ELIGIBILITY REQUIREMENTS

READ ALL Documentation BEFORE filling out or applying. Any application submitted incomplete or without required documentation will be rejected.

Eligibility Requirements

The purpose of the Masonic Grant administered through ASCOG is to aid senior citizens who are unable to fund their necessities without assistance. This grant is intended to benefit **seniors 55 years of age or older** who live in ASCOG's eight-county service area. These counties are **Caddo, Comanche, Cotton, Grady, Jefferson, McClain, Stephens and Tillman.**

If you have received the Masonic grant in the past two (2) years, you are **NOT ELIGIBLE** for the Masonic grant this year. The Masonic Grant is primarily intended to cover gaps in the AAA's available services; applicants may be redirected to other sources of assistance as available.

This year's Masonic Grant will run from **January 1st to November 30th.** Your application must be submitted during that timeframe. Exceptional circumstances and urgent situations may receive additional consideration beyond that span depending on availability of funds.

Approval Process

Applications will be reviewed upon receipt to ensure eligibility requirements are met. If approved or rejected, the applicant will be notified by the phone number listed on the application. Be sure to notify ASCOG if your phone number changes. If approved, a voucher will be issued to the vendor from whom the applicant has received an eligible quote. Please **do not call** regarding your application's status until you have received a phone call from ASCOG.
