

CITY OF

ANADARKO

O k l a h o m a

June 1, 2017

Dear Customer:

As discussed during our March 22, 2017 meeting; changes will be made to the downtown service effective July 1, 2017.

The cost of down town service will increase to \$30.00 per month and the service changes will be:

- The existing shared dumpsters will be replaced with locking 4 yard dumpsters (2 or 3 per block).
- Keys for the dumpsters will be provided by City Hall for the container you will be assigned to utilize.
- **EVERY** down town business owner will have the option to request a poly cart included in the monthly rate of \$30.00. If you want this option you will need to call City Hall and request it. Please be aware that if you rent a poly cart it will be your responsibility to move it to the alley to be dumped on your pick up day.
- Any downtown business owners may call City Hall to request a private dumpster for a monthly rate. The rate will depend upon the size and service selected.
- All downtown business owners may request that their existing private dumpster be changed out for a locking dumpster. You would maintain the lock and key for a private dumpster. The additional cost for a locking dumpster is \$6.00 per month.

These changes will go into effect on July 1, 2017. Please contact us with any questions or concerns you may have. Thank you.
